## A Belding Woman's Experience

Can you doubt the evidence of this Belding woman? You can verify Belding endorsement.

Read this: Mrs. Emma Coon, 421 E. Division St., gave the following statement on January 27, 1913: "My back pained me most of the time and it seemed as if I couldn't get rid of the complaint. I had other symptoms of kidney trouble and was feeling miserable when Dian's Kidney Pills were brought to my attention. I tried them, getting my supply at Connell's drug store and the first box helped me so much I continued. I was soon cured."

On September 9, 1913, Mrs. Coon added: "I am just as glad to recommend Doan's Kidney Pills today as ever, for they cured me of kidney complaint of long standing. Should I need a kidney medicine again, I would certainly use Doan's."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Coon had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.—Adv.
